

# HELP WANTED...

*Celebrating Over 40 Years of Service Excellence...*

*Commonwealth Engineers is seeking engineering interns or co-op students during the summer or academic year. Candidates must be team-oriented self-starters wanting to learn and grow in the area of water resource engineering.*

**POSITION: CIVIL OR ENVIRONMENTAL ENGINEERING INTERNS OR CO-OP STUDENTS**

**LOCATIONS: EVANSVILLE, FT. WAYNE, INDIANAPOLIS, AND CROWN POINT, INDIANA**

**JOB DESCRIPTION:**

Commonwealth Engineers, Inc. is always on the look out for exceptional engineering students seeking to gain valuable experience as an engineering intern or co-op student during the summer or academic year. This is an excellent opportunity for a pending graduate who is interested in pursuing a professional engineering career in the areas of potable water, wastewater, stormwater, dams, levees, site civil work, and sustainable infrastructure. Typical tasks range from assisting with field work, inspection, engineering reports, permits, construction engineering, and simple design calculations. Engineering interns and co-op students typically support one or more experienced engineering teams with the goal of gaining an understanding of the type of work needed to support larger engineering infrastructure projects at an engineering consulting firm.

**COMMONWEALTH™  
ENGINEERS, INC.**

A wealth of resources to master a common goal.

**HOW TO APPLY:**

Qualified applicants should submit a cover letter and resume to Ann Dryer at [hiring@contactcei.com](mailto:hiring@contactcei.com) or apply online at [commonwealthengineers.com/careers](http://commonwealthengineers.com/careers).
