

**COMMONWEALTH
ENGINEERS, INC.**

WE'RE HIRING!

**ENTRY-LEVEL CIVIL OR
ENVIRONMENTAL ENGINEER**

Located in Indianapolis, Indiana

Get on Board

If you're looking for an entry-level engineering opportunity with paths for growth, we would like to talk with you about joining Commonwealth! At Commonwealth, you will be assigned to a project team tasked with helping Indiana communities and industries solve their most challenging environmental infrastructure problems. We believe our team-based culture effectively fosters learning and growth, especially with entry-level engineers.

Commonwealth Engineers is seeking multiple entry-level engineers for all offices. This is an excellent opportunity for a pending or recent graduate who is interested in pursuing a professional engineering career in the areas of potable water, wastewater, stormwater, dams, levees, site civil work, and sustainable infrastructure.

By joining Commonwealth, you will be a key player in the water resource engineering services that we provide!
