TRANSPORTATION PROFESSIONAL ENGINEER

GET ON BOARD: INDIANAPOLIS OFFICE LOCATION

JOB DESCRIPTION

Commonwealth Engineers, Inc. is seeking a Transportation Professional Engineer or Project Manager for our Indianapolis corporate office. This is an excellent career opportunity for a multi-talented and creative Professional Engineer interested in solving complex transportation engineering challenges.

RESPONSIBILITIES

- Oversee and facilitate transportation projects with regards to the INDOT Consultant Prequalification Manual.
- Conduct various phases of transportation design, including preparation of design reports, utilization of traffic software, development of contract documents, bidding assistance, and contract administration.
- Perform site reviews and studies to ensure designs are aligned with location specifications.
- Mentor staff and ensure deadlines are met.
- Support other projects such as drainage and site civil design when needed.
- Offer solutions in complex problem areas.

DESIRED QUALIFICATIONS/SKILLS

- B.S. in Civil Engineering (graduate degree is a plus)
- Registered as a Professional Engineer (P.E.) in the state of Indiana (or ability to obtain reciprocity)
- Valid driver's license
- INDOT & LPA design and permitting experience
- Experience with stormwater and site civil design is a plus
- Excellent verbal and written communication skills
- Ability to work independently and in team environments
- Strong work ethic and organizational skills

COMPENSATION

Example base salary ranges listed below (commensurate with expertise/ability/years with P.E. license), plus annual performance bonus and additional incentive pay for each hour worked excess of the 40-hour schedule.

- P.E. licensure < 5 years: \$80,000 to \$90,000
- P.E. licensure 5-10 years: \$90,000 to \$100,000
- P.E. licensure 10-15 years: \$100,000 to \$115,000
- P.E. licensure 15-20 years: \$115,000 to \$130,000
- P.E. licensure 20+ years: \$130,000 to \$160,000
