**MEMORANDUM**

TO: Engineers, Bond Counsels, and Municipal Advisors

FROM: Camille Meiners, SRF Lead Engineer

DATE: August 9, 2022

RE: **IFA Asset Management Program Update**

In response to Indiana Senate Bill 272, effective, July 1, 2023, all PERs submitted to the IFA's SRF Programs must include a completed Asset Management Program.

Because the due date for PERs received by the SRF for funding SFY 2024 (July 1, 2023 – June 30, 2024) is April 1, 2023, all PERs submitted to the program must include an Asset Management Program certification by that date in order to be ranked on the SFY 2024 Q1 PPL. All PERs currently on the PPL that have not closed and any PERs received by April 1, 2023, for SFY 2024 funding will be scored, however, in order to be ranked, the PERs must include an Asset Management Program Certification.
