

# Engineering and Consulting Service Excellence Since 1974

## ENGINEERING INTERN AND CO-OP STUDENTS

### Job Description:

Commonwealth Engineers, Inc. is looking for engineering students during the summer or academic year. Engineering interns and co-op students typically support one or more experienced engineering teams to gain an understanding of the type of work needed to support large and small engineering infrastructure projects. Opportunities are available at all office locations.

### Responsibilities:

Work typically involves a combination of field and in-office assignments. This is an excellent opportunity for a pending graduate who is interested in pursuing a professional engineering career in the areas of potable water, wastewater, stormwater, dams, levees, site civil work, and sustainable infrastructure.

- Assist team members in engineering tasks such as fieldwork, inspections, engineering reports, permits, construction engineering, and simple design calculations.
- Perform assignments requiring the application of standard techniques, procedures, and criteria to carry out engineering tasks.
- Work under the supervision of a project manager or senior-level team member.
- Review construction drawings and specifications.

### Qualifications/Skills:

- Pursuing a B.S. in Civil or Environmental Engineering
- Basic engineering principles and willingness to learn new skills
- Excellent verbal and written communication
- Valid driver's license
- Ability to apply technical skills to meet project demands and solve problems for our clients
- Positive attitude and an impressive work ethic
- A clear sense of urgency and self-initiative to meet deadlines
- Attention to detail and ability to contribute to a positive work environment
- Passion and demonstrated drive to achieve goals

### Benefits:

Commonwealth has earned our reputation as a leader in the water resource industry. Join our award-winning engineering and consulting firm and receive these benefits:

- Competitive Salary
- Flexible Scheduling
- Professional Development Opportunities
- Employee Outings

Applicants should e-mail a cover letter and resume to [hiring@contactcei.com](mailto:hiring@contactcei.com) or submit online:
